## Membership Details:

Insulation Australia (IA) is the Trans-Tasman insulation industry's major voice representing insulation manufacturing, wholesaling, importing & fabricating companies from all product groups and importantly, those from the installer services sector.

IA will adopt a broad whole-of-industry approach to best practice and developing a viable long term industry for all members who share the common goals as detailed in its *Vision & Mission statements*.

IA's constitution states that it will be *product agnostic and will not be a forum for disputes between insulation manufacturers, installer groups or industry associations*. Rather it will adopt a broad whole-of-industry approach to best practice and developing a viable long term industry for all members.

There are two membership categories recognized within Insulation Australasia:

**Corporate Membership** – For Manufacturers, Distributors, Certification and Installer Companies. Members must be incorporated companies with an annual turnover of greater than \$500,000 – No sole traders, applicants must be incorporated.

**Associate Membership** – For Industry Associations and Local/State and Federal Government Departments and International Trade Organisations.
